

Best Liver Transplant Surgeon in India

A failing liver is removed during a liver transplant procedure, and a healthy liver from a donor is used in its place. The [best liver transplant surgeon in India](#) is Dr. A. S. Soin, Chairman of the Medanta Institute of Liver Transplantation and Regenerative Medicine. With a 95% success rate, he and his colleagues currently conduct 22–25 live donor liver transplants per month, which is comparable to the best transplant clinics in the world.
